**USPA NEWS** - My name is Princess Oobama/KB Chanel.

I believe I started modelling around the time I used to take my eldest daughter to modelling sessions, whilst I was there I was asked if I was a model or if I would like to take part in the shows.

I considered it but didn't do anything about it, back then I was a hairdresser but when I started taking my twins to fashions shows where I was asked once again if I was a model or if I wanted to take part in a show.

This is when I decided that.....

yeah this is what I always wanted to do, modelling, being a designer and a hairstylist and now I can finally congratulate myself and say I've done them but not yet achieved or be where I truly want to be.

I have done some small movie scenes also I have done a lot of fashion shows for Toyolala creations, Chabs London, Passion for Africa fashion show, Model, Go east vintage, Ever In Vogue fashion shows. I was also a designer and model at the nycfw fashion show, done an advert for snagtight also enter Julie Morris pageant and I was the 1st runners up, I've done comedy that's only some of them can't name all.

I am a mum with a lot of talent ,I'm a great woman that loves fashion and style and I also love taking videos and photos I'm full of character and I'm great at what I do sometimes I'm out of character but that's just me I don't take things to serious because no one knows what tomorrow may bring also I'm very confident and humble! I don't like to be everyone else my fashion sense describes me very well .I love me too much big and bold that's me !

I would love to be an individual that is known for there quirky outfits,for example people like Nicki Minaj and lady gaga they influence my outfits.

I am a bit of everything I would like to be out there and be a big role model to others teaching them they can go from nowhere to somewhere , the reason I've chosen to do Miss sexy UK is because it's one of the biggest event in the uk I know I've got what it takes to be that person also to further my career and to give others the positivity to say she done it so I can do it to ... I also like to do big shows all over the world as a plus size model getting payed big.
